

Vital Advisory

VITALCONSULT

Building Better Businesses

Strategic guidance to strengthen governance, leadership, and business growth

Service Overview

Vital Advisory is the foundation of everything we do. We provide tailored advice and strategic support to help organisations grow, adapt, and lead with confidence. Whether you're navigating governance reform, building internal capability, or developing a strategic plan, we bring clarity, structure, and results.

Our advisory services are ideal for Indigenous organisations, social enterprises, and small to mid-sized businesses seeking to build long-term sustainability and impact.

What We Offer

Our Vital Advisory services include:

- Capacity Building & Mentorship
- Governance & Compliance Support
- Strategic Planning & Board Workshopping
- Economic & Community Development
- Grant & Tender Writing
- Company Secretarial & ASIC Compliance

How We Work

We take a practical, strengths-based approach - working closely with boards, CEOs, and founders to ensure advice is grounded in your context.

- Flexible delivery (remote or on-site)
- Customised engagement plans
- Culturally responsive for Aboriginal and Torres Strait Islander organisations
- Option to combine with other service areas (e.g. finance, IT, recovery)
