

# Virtual CFO & Bookkeeping

**VITALCONSULT**  
Building Better Businesses

Reliable, compliant, and strategic financial services to support growth and accountability.

## Service Overview

Strong financial systems are essential for sustainable business. Our Virtual CFO and bookkeeping services go beyond the basics - providing compliance, clarity, and confidence for your operations.

We support Aboriginal organisations, not-for-profits, and small businesses with day-to-day transactions, payroll, reporting, and financial oversight. Whether you're getting started with Xero, preparing for audit, or need strategic finance support, our team delivers technical expertise with a practical, supportive approach.

## What We Offer

Our Virtual CFO & Bookkeeping services include:

- Bookkeeping, Reconciliations & Payroll
- BAS & IAS Preparation and Lodgement
- ATO Liaison & Lodgement Assistance
- Xero Setup, Customisation & Training
- Financial Reporting for Boards & Funders
- Virtual CFO Support & Financial Strategy

## How We Work

We combine the reliability of technical finance with an understanding of your operating environment.

- Remote and regional-friendly service delivery
- Monthly packages available or flexible hourly support
- NFP and grant-funded expertise
- Options to integrate with governance or digital services
